An NCTA-approved team member may be removed for any of the following reasons, as determined by the NCTA:

IV. REPLACEMENT OF ATHLETES

A nominated athlete who withdraws or is removed from the team prior to the World University Taekwondo Championships will be replaced by the next eligible athlete in rank order finish from the 2009 National Collegiate Taekwondo Championships in the respective weight category. For example, should the 1st place athlete not be able to compete based on injury, removal for cause, etc., that athlete will be replaced by the 2nd place athlete from the 2009 National Collegiate Taekwondo Championships in that weight category. If the 2nd place athlete from the 2009 National Collegiate Taekwondo Championships is not able or eligible to compete, the athlete placing 3rd and lost to the overall winner of that weight division at the 2009 National Collegiate Taekwondo Championships will serve as the team member for that division. If the 3rd place athlete who lost to the overall winner from the 2009 National Collegiate Taekwondo Championships is not able or eligible to compete, the athlete who placed 3rd and lost to the overall runner up of that weight division at the 2009 National Collegiate Taekwondo Championships will serve as the team member for that division. If none of the medalists from the 2009 National Collegiate Taekwondo is able or eligible to compete, then the NCTA will select the best available athlete who meets the collegiate criteria.
