INTRODUCTION

The National Collegiate Taekwondo Association (NCTA) is pleased to host the 47th *National Collegiate Taekwondo Championships*, and the 8th *NCTA National High School Championships* on April 12-14, 2024, at the University of California, Berkeley in Berkeley, CA. The Collegiate Championships will include poomsae and sparring competitions for color belts and black belts, and the High School division will include poomsae and sparring divisions for black belts only.

The 2024 National Collegiate Sparring and Poomsae Team Trials are included in this event in addition to the Championships divisions and will serve as the selection event to choose the poomsae and sparring team members to represent the USA at the FISU America Games (i.e. the Pan American University Games) to be held in Cali, Columbia (Nov. 2024; if FISU America Games are not an option, another event will be determined for the team). The cost for the FISU America Games trip for each athlete is approximately \$1,950 plus airfare (which includes athlete village housing & food, credentials, USA competition uniform and USA Team apparel). The NCTA will provide a minimum of \$500 per athlete of support; however no funding beyond that should be assumed and athletes should be prepared to pay for the remaining cost of the event.

The Collegiate Championships divisions will be USATKD sanctioned 10.0 event. The High School and Team Trials events will not receive USATKD ranking points.
